

PARTNERS IN FLIGHT

Partners in Flight awards recognize exceptional contributions to the field of landbird conservation. Nominees who have furthered the goal of protecting migratory and resident landbirds and their habitats will be evaluated for their effective public awareness activities, innovative leadership, insightful ecological investigation, or sound land stewardship. The *Partners in Flight* Awards Committee will review the accomplishments presented in this nomination form only. Please send in one form for each category in which you nominate a person or group. If you nominate one person or group in more than one category please send in separate forms and explain what your nominee has accomplished in each category.

Please limit your nomination information to the space provided on this form; additional materials will not be considered. The committee reserves the right to reassign a nomination to a different category from which the nomination was originally submitted. To be eligible, projects or activities must have been initiated after 1990.
